Start the evening with an epic dinner at fine dining restaurant Dapper. Chef Nick Dapper is young and highly creative in the kitchen. No wonder his restaurant already earned a place in Gault&Millau. Fill your table with ten favourite stakeholders: business partners, management team or just your business besties.

Gault&Millau 14/20

We invite corporate anthropologist, entrepreneur and author **Jitske Kramer** for an inspiring keynote about leadership during tricky times. She states: "We're living through a non stop series of crises and we're unsure how to handle." Curious? Attend this keynote!
